Summer is here, and things are going well at Shepherd's House. Since our Spring Newsletter, we have had 3 more ladies graduate from the program! All three are doing well, living in their places, and working in their careers. One of them has been offered her dream position at a rehab facility and is now able to help others who are trying to start a new life. She is paying it forward, and we are so proud of her! I admit, it feels really good to see a life changed so drastically in a positive way.

Our ladies are setting up at Trinity Lutheran Church Farmer's Market on Wednesdays, 6:30-11:30 am. Please come and see the wonderful sewing skills of Ms. Conni, or enjoy some of Michelle's Marvelous Fudge. Victoria's Bead Jewelry designs make great gifts!

Common John's in Manchester is having a fundraising lunch on June 29th for us! So go by and enjoy some of the delicious food while supporting our mission.

Currently, Shepherd's House is full, which is pretty much always the case. We have 10 women and two children, so there is a lot of laughter and fun. Most of them already have income, but we do have one young lady who is looking for something in Tullahoma instead of Manchester because she does not have a car, and transportation is always one of our biggest obstacles to overcome.

Thank you to Marcus, one of our area Hope Promise students, who came and painted the handicap ramp and front porch rails. It spruced up the front of the house and made it look much brighter!

Volunteer Opportunities

1. Transportation for the ladies to and from work, this is mostly within the Tullahoma area, with one in Manchester.
2. One Saturday in July to clean, organize, and inventory our outside pantry and garage.
3. Weekly Bible Study teachers.

<u>House Needs</u>

1. Meats, cheeses, frozen juice
2. Cleaning supplies, body washes, shampoo, and toilet paper.

If you would like more information about Shepherd's House, please feel free to visit us, or to come to any Board Meeting. We are happy to answer any questions about anything you want to know.
Board Meetings are every 3rd Monday of the month at 5:30 pm at New Creation Church
I truly do hope to see you there.
